

Basic **Wilderness Survival** Seminar

DATE: July 26th TIME: 9am - 6pm

Join Wilderness Survival expert and 12th degree Ninjutsu Black Belt Jeffrey M. Miller for a chance to explore the ninja's approach to handling wilderness survival situations. Mr. Miller will lead participants through the basic life-saving skills, concepts and principles for:

- *building emergency shelters*
- *fire-building structures and lighting methods*
- *Water collection & purification*

During this full-day seminar, you will be given the most essential skills for surviving in the wilderness. Using a balance of lecture, stimulating presentations, and actual hands-on exercises, you'll learn how to use nature as an ally. You'll learn to live where others can't and make it through situations that would stop most others.

As a bonus, you'll learn a secret, 9-step process, called the:

9 Essential Steps for Effective Survival

You'll use these steps for training to master a survival situation as well as organizing and structuring your own training. Here's what others are saying about this life-empowering program:

"Regardless of whether you're a traveler, hunter, hiker, Boy or Girl Scout, or just want to be prepared for anything, training with Jeff Miller is invaluable for your peace of mind."

"You never know when or how danger will strike. You owe it to yourself and those who care about you to be able to handle any type of situation. Whether you've taken other courses or not, this program will definitely get you prepared!"
